Sharp Digital Technology

If you've ever listened to a compact disc, you'll know digital technology is the key to better sound.

The new Sharp range combines digital technology with a sleek look and every feature is geared for brilliant reproduction. Sharp's Extra Bass Boost, for instance, gives an amazing super bass that you'd

expect from a larger system. And TwinCam lets you stack cassettes back to back for continuous play.

So, if you're into great sound with style, Sharp's new audio range is just what you've been waiting for.

SHARP

Simply the best.
