

Fireball

The golden light above you shows me where you're from
The magic in your eye bewitches all you gaze upon
you stand up on your hill they be bop all around you
They wonder where you're from oh yeah
They wonder where I found you
Oh my love it's a long way
Where you're from it's a long way
I tried to understand you, tried to love you right
The way you smile and touch me always sets my heart
alight
Your lips are like a fire burning thru' my soul
And people ask me where you're from
They really wanna know
Oh my soul it's a long way
Where you're from it's a long way
Magic woman wreckin' up my soul
Things you tell me have never been told
Magic woman I don't know
Electric before me I love you so I love you so
You're racing like a fireball dancing like a ghost
You're gemini and I don't know which one I like the
most
My head is getting broken and my mind is getting bust
But now I'm coming with you down the road of golden
dust
Oh my love it's a long way
Where you're from it's a long way.

Demon's Eye

I don't mind just what you say
I never heard you baby
Never heard you anyway
I don't care what you do
Just so long as it ain't me and you
Sly sly like a demon's eye

Everything's good
Everything's fine
You don't know
It's the end of your time
How does it feel
To be turned away
I've known it baby
I've known it every day
Sly sly like a demon's eye

Don't need you any more
Don't want you baby
Hanging round my door
You slip and slide
Around my brain
You think you're so clever
But you know you're insane
Sly sly like a demon's eye.

No No No

Really hate the running really hate the game
Looking at them all I wanna be unborn again
Their suit is getting tighter although they're getting
thin
The flies are crawling on their face and trying to get in
People say that we're to blame I say
No No No it's just the game
Must we let them fool us No No No
Have we got our freedom No No No
Is it getting better No No No
Do we love each other No No No
Must we wait for ever No No No

Heads are getting stronger bodies getting weak
Looking at them all it feels good to be a freak
Their hands are getting closer they're reaching out so
far
The greenies gonna get them make them serve the
stars
Tell them how it is and they say No No No
No No No we know it all
The washing's getting dirty the air is getting thin
It's all in such a mess that no one knows where to begin
They talk about creating but all they do is kill
They say we're gonna mend it but they never will
Poison in the rain but they say
No No No we ain't to blame.

Anyone's Daughter

I stood under your bedroom window
 Throwing up a brick
 No-one came I threw one more
 That really did the trick
 Your daddy came and banged my head
 He said what kind of man
 Is this that's hanging round my girl
 And threw me in the car
 You're a farmer's daughter
 You're a farmer's daughter
 Why do I always get
 The kinda girl I didn't oughta get
 I won't get no more eggs and water
 Now I've laid the farmer's daughter

Imagine I was a full grown man
 And I could talk just right
 Could I come and see you here
 And do this every night
 Wham! the door comes crashing down
 Your daddy's face all pale
 Says come with me you hairy bum
 I'll put you in my jail
 You're a judge's daughter
 You're a judge's daughter
 Why do I always get
 The kinda girl I didn't oughta get
 Now I'm getting jail and torture
 Cos' I made the judge's daughter

It seems they're screaming law and order
 When I go with anyone's daughter

Woman I should like some peace
 And daddy hold your tongue
 I think you're gonna die of fright
 When I tell you what I've done
 I can hear your tales and lies
 You say I'm dumb and scraggy
 But man this dumb and scraggy is
 Your daughter's baby's daddy
 She's a lucky daughter
 Such a lucky daughter
 Why did I always get
 The kinda girl I didn't wanna get
 Now I've got what I always fought for
 Cos I've married a rich man's daughter

The Mule

No-one sees the things you do
 Because I stand in front of you
 But you drive me all the time
 Put the evil in my mind
 Used to sing and say my prayers
 Live my life without a care
 Now I have become a fool
 Because I listened to the mule
 How can I change when my mind is a friend
 of a Lucifer hid in the ground
 Just another slave for the mule

Fools

I'm crying I'm dying

I can see what's wrong with me
 It's in my head
 I can see what's gonna be
 As I lie in my bed
 Man is not my brotherhood
 I am of the dead
 I died as lived as I loved and was born
 On some distant hill
 The reasons to hide were the reasons I cried
 Fools pass laughing still

There can be bad blood in all I can see
 It's in my brain
 You don't know the pain I feel
 As I must live again
 Rocks and stones can't bruise my soul but
 Tears will leave a stain
 They smile to themselves as they lay down my head
 On some distant hill
 The blind and the child sweep a tear from their eye
 Fools smile as they kill

I got my own way to go and now I want
 I take your minds
 I believe if you could see
 The blood between the lines
 I believe that you could be
 A better kind
 Please lead the way so the unborn can play
 On some greener hill
 Laugh as the flames eat their burning remains
 Fools die laughing still

No-one Came

Maybe it's because I'm only starting
 That I think it won't take too long
 Maybe it's because I can see you laughing
 That I think you've got it wrong
 Maybe I could be like Robin Hood
 Like an outlaw dressed all in green
 Someone said what's he gonna turn out like
 And someone else said never mind
 Well I was big and bold and more than twice as old
 As all the cats I'd ever seen
 I grew my hair and bought a suit
 Of shiny white or was it cream
 I shook and shivered danced and quivered
 And stood on a mountain top
 No-one came from miles around and said
 Man your music is really hot.

Well I knew what they meant because I was a freak
 My throat was tired and worn
 My pretty face just looked out of place
 As they poured on the scorn
 I wrote on yellow paper from a man who was the king
 He said my boy we'll have some crazy scenes
 There weren't any scenes at all like he was talkin'
 about
 He must've been the king of queens
 Well I could write a million songs about the things
 I've done
 But I could never sing them so they'd never get sung
 There's a law for the rich and one for the poor and
 there's another one for singers
 It's die young and live much longer
 Spend your money and sit and wonder
 No-one came from miles around
 And said man you music is really funky.

I believe that I must tell the truth
 And say things as they really are
 But if I told the truth and nothing but the truth
 Could I ever be a star
 Nobody knows who's real and who's fakin'
 Everyone's shouting out loud
 It's only the glitter and shine that gets thru'
 Where's my Robin Hood outfit
 Well I've come and I've gone before you wink an eye
 No-one ever care enough to say goodbye
 The money's good and the time you have
 Fun and games galore
 But you spend your money and lie in bed forgotten
 And you wonder what you did it for
 No-one came from miles around
 And said man who's he?
